

# Our Commitment

To providing premium products and service

We design and manufacture every product to assist our customers with their mission of helping people live healthier lives. Promising perfection is a big responsibility, but one that assures our customers' products will be safe to use.

Despite having eight manufacturing locations to meet the needs of our wide-ranging clientele, we have never forgotten our roots as a small family-owned company. Whether it is your first time working with us, or you are still considering our products and services, we look forward to building a lasting relationship. We promise to deliver each order with five key tenets in mind. Every time.

## **Responsiveness:**

We get you what you need quickly.

## **Courtesy:**

We treat customers in a respectful and friendly manner.

## **Integrity:**

We have the customer's best interests in mind.

## **Dependability:**

We do what we say we will do.

## **Perfection:**

We provide perfect plastic bottles and closures every time.

# Eight Ways We Create Perfect Packaging

## Diverse Resin Options:

HDPE, LDPE, PP, and PET

## Extensive Closure Liner Options:

Pulp, Foam, and Heat Induction

## Custom Color Matching:

Choose Fast Track Colors or match a PMS

## Custom Closure Printing:

Print text in the color of your choice on the closure

## Packaging Consultation:

Guidance and advice for healthcare, wellness and lifestyle brands

## Custom Bottle and Closure Development:

Engineering, CAD design, and testing

## Mold Fabrication:

Prototypes and multi-cavity production molds

## Multiple Manufacturing Options:

Injection Molding, Injection Blow Molding, Injection Stretch Blow Molding, and Extrusion Blow Molding
